

PERMITTING CONTACT LIST

Morrison County

This is a partial list of the most commonly used governmental agencies. It is not intended to be a complete list, and you may need to contact additional agencies or different offices within an agency related to regulatory requirements for your project.

GENERAL DISCLAIMER

Minnesota Power's approval of your project DOES NOT determine whether the project complies with applicable laws and regulations. You must work with local, state and federal governmental agencies to obtain any necessary permits and to fulfill any requirements related to your project.
